

GO BOOM

RULES AND HOW TO PLAY

What is “GO BOOM”?

"Go Boom" is a card game. It is a shedding-type game, meaning the goal is to eliminate all your cards before your opponents in each round.

DEAL

The maximum number of players in Go Boom is 2-4, Each player is dealt with 7 cards one at a time. The remaining deck will be placed on display for the player.

OBJECTIVE

The objective of Go Boom is to have the least score among the other players in each round, the game ends when one of the players reaches a score of 100. The score is based on the remaining card that the player holds onto.

CARD	VALUE
ACE	1
2-10	Face Value
ROYALE (J/Q/K)	10

GAMEPLAY

Go Boom starts with the first card in the deck is the first lead card and is placed at the center. Based on the card, it determines which player gets to move first.

CARD	PLAYER
A,5,9,K	Player 1
2,6,10	Player 2
3,7,J	Player 3
4,8,Q	Player 4

All players must follow the suit or rank of the lead card. The highest-rank card with the same suit as the lead card wins the trick. The winner of a trick leads the next card.

The rank of the card starts with (A / K / Q / J / 10-2).

For players who cannot follow suit or rank, the player must draw from the deck until a card can be played. When the remaining deck is exhausted and the player cannot play, the player skips (does not play) the trick.

SCORING

At the end of each round the score will accumulate and will be on display for the player to see, the game will end when one of the players gets a score of 100. The player with the least score is determined a winner.
